

Grapevine, Texas  
June 6, 2015

-Bike ID -  
-Bike Post Sticker- Please center the sticker so race number is visible on both sides,  
\*Make sure sticker is facing towards the back of the bike\*

### Race Tattoos – Pre Race Prep

For best results, make sure that the area of your body that you will attach the SporTats Triathlon version tattoos are dry and clean from dirt and lotion.

#### PREPARATION FOR ADHERING

- 1) Prepare a lightly soaked towel or wet paper towel
- 2) Peel away the protective plastic strip.
- 3) Place the lightly soaked towel or wet paper towel over every part of paper.
- 4) Hold for a complete 30-40 seconds to adhere to skin.
- 5) Slowly remove paper from skin in a diagonal motion.

### Race Tattoos Placement

Arm Sportats – adhere race tattoo centered on right side of arm  
Arm Sportats – adhere race tattoo centered on left side of arm

### Tattoo Removal

Soak the SporTat tattoo in baby oil, rubbing alcohol or nail polish remover.  
If there are spots that are missed, place transparent tape over areas to remove.

-Age Group Tattoo – Adhere Race Tattoo centered on left calf.

Please have centered and visible on race belt or shirt for crossing finish line

### Race Bib Placement

Race Number Systems, Sportsticks®, SporTats®, PaceTats®, Race Bibs, Wristbands, and Dreaming Up More!
